FREE FLU SHOTS FOR YOUR ENTIRE FAMILY!

The flu vaccine has been shown to reduce doctor visits due to the flu by 40 to 60%. **Getting your flu vaccine this year is more important than ever.** Help reduce the burden on our healthcare system, which could be overwhelmed treating both flu and COVID-19 patients, by getting your flu shot.

- **Ages 6 months and up**
- **Vaccinations are free but insurance is required**
- **Remember your insurance card!**
- **No appointment is necessary**
- **Masks and distancing required**
- **Open to the public**

Albertsons Market Pharmacy will be on-site conducting a free (with insurance) drive-thru flu shot clinic. Get the entire family quickly immunized while remaining safely inside your vehicle. Albertsons accepts all insurance including Medicare, Medicaid, and private insurance. Don't miss this opportunity to prevent influenza infection and receive a coupon for \$10 off groceries!
