

The 2021 Taos Electric Vehicle Expo Saturday, September 25, 2021

ANNOUNCEMENT AND GENERAL INFORMATION

You are invited to attend the **2021 Taos Electric Vehicle Expo**. This event, entering its fourth year, features dozens of electric cars, electric motorcycles and bicycles, speakers and exhibitors of other solar and renewable energy technology. It is sponsored by **Renewable Taos, Inc.**, the non-for-profit, renewable energy advocacy organization in Taos, NM, **Kit Carson Electric Cooperative**, and other organizations in Taos and surrounding areas. **THIS IS A FREE EVENT OPEN TO THE PUBLIC.**

WHY: Promoting electric transportation in all forms. See exhibits, hear experts, learn more!

WHERE: Taos Public Library, 402 Camino de la Placita, Taos, NM.

WHEN: OPEN TO THE PUBLIC from Noon to 4:00 pm.

LEARN: If you have questions about electric vehicles (EVs), this is the event of the year for you!

- * What are the advantages of EVs?
- * How much do they cost?
- * Is financing or a tax credit available?
- * What models are available now, and what will be available in the next year or two?
- * How far can I travel on a full charge?
- * Do I need special equipment or can I plug it in at my home or apartment?

EXHIBITS: Auto and motorcycle dealerships, bicycle dealers, related equipment vendors and other renewable-focused companies are invited. Attendees will have opportunities to talk to vendors, exhibitors and EV owners.

SPEAKERS: During the Expo, experts will give short talks on related topics with time for questions.

DEMOS: Participatory demonstrations of electric transportation are at the discretion of the owner. (Renewable Taos, Inc. and Kit Carson Electric Cooperative assume no liability.)

FOOD: There may be food concessions available, dependent on state & local COVID-19 restrictions.

CONTACT: For more information or to be an exhibitor, email to: info@TaosEVExpo.org.
Also visit: TaosEVExpo.org

Sponsored by:

- Renewable Taos, Inc., a 501c(3) not-for-profit organization promoting renewable energy and economic development. Visit www.renewabletaos.org for more information.
- Kit Carson Electric Cooperative, Inc., the electricity provider for north-central New Mexico with a focus on providing all-renewable energy for its members.

SPECIAL COVID-19 Safety Requirements: Public Safety is of paramount concern for all Taos EV Expo participants including volunteers, exhibitors and attendees. All participants will agree to and follow State of NM COVID-Safe procedures and practices.
