District 4

Candyce O'Donnell
District 5

Brent Jaramillo
County Manager

Create defensible space around your home NOW to improve its chance of surviving fire.

Defensible space is the buffer between a building and grass, trees, and shrubs that surround it. This space can slow or stop the spread of wildfire, and can also provide firefighters a safe area to work in to defend your home. Learn more here

<https://www.readyforwildfire.org/prepare-for-wildfire/get-ready/defensible-space/>

In the Peñasco area PLEASE TAKE ANY SLASH (trees or brush you clear) to the TAOS COUNTY PUBLIC WORKS YARD located at address #76 State Road 73.

If you have any questions, please contact District 5 supervisor Juan Lopez at (575) 770-4895
